

Investment Opportunity

Linguamine is a privately held innovative technology venture specialising in Search Engine, Natural Language Processing and Internet Technologies.

Our Digital Archiving and other high technology products are developed at our R&D facility in Malta and target selected niche markets in Europe and the US.

We are currently seeking investment to implement our European marketing plan while developing new innovative technology.

If you are interested in this exciting high-yield investment opportunity kindly contact us on info@maltalinks.com or call on **79828282** for a private appointment and information pack.

Linguamine is a brand name of Maltalinks Ltd.
